

"CAT-2"

Heavy-Duty Label Rewinders (Page 1 of 2)

LABELMATE's **Constant Adjustable Torque™** ("CAT") technology has made the silent, easy-to-use **CAT-2** the "**Industry Standard**" Label Rewinder.

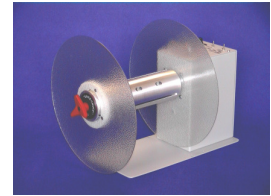

The top of the line **CAT-2-CHUCK** includes LABELMATE's durable "**Quick-Chuck™**" quick-locking Core Chuck, permitting the fastest loading and unloading of cores and label rolls. The **CAT-2-CHUCK** is ideal for label slitting applications, high-volume production environments, or anywhere the ultimate convenience in Rewinders is desired. The **CAT-2-CHUCK** is available for 1.5", 40-mm, 70-mm, 3" (76-mm) or 4" cores. The handy outer flange included with the 3" **CAT-2-CHUCK** guides the outer edge of the label web being rewound. Torque and Direction are fully controllable from the Control Panel.

The standard **CAT-2** has a Fin-Style Core Holder. It handles labels up to 6-inches wide and will wind a roll of labels up to a 12-inch diameter.

For wider labels up to 10-inches wide, choose the **CAT-2- W10..** For maximum convenience, choose the **CAT -2-CHUCK-10.** (shown at right)

With the Model **CAT-2-R16-CHUCK** (shown at left), you can rewind label rolls up to 16-inches (40-cm) in diameter.

Model **CAT-2-ACH** includes an Adjustable Core Holder that accepts any core size from 1-inch to 4-inches in diameter and up to 6-inches in width. The optional Adjustable Paper Guide **APG-CAT** with movable arm can be installed in minutes on the base of the **CAT-2-ACH**. This inexpensive accessory guides the outer edge of the label roll as it's being rewound to ensure even roll alignment.

LABELMATE Heavy-Duty "CAT" Rewinders are designed for continuous duty operation. Rugged, heavy-gauge steel construction allows your **CAT-2** Rewinder to be simply set in place. Special anti-slip feet keep the unit from moving. The **CAT-2** handles any rewind job and with its "HIGH" torque range can also power the LABELMATE **S-100** or **S-200** Label Slitters. Reliable, high quality and maintenance-free, the Heavy-Duty **CAT-2** Label Rewinders feature a **5-Year Parts and Labor Limited Warranty**, the longest in the industry.

Put LABELMATE **CAT-2** Label Rewinders to work for you today and enjoy a new dimension in label rewinding convenience and reliability. Custom colors, badging, and special core holders are available for private label applications. See Page 2 for available models and specifications.
